Midshipmen without Approval

If the Movement Order is in support of NAAA Varsity Athletics or Musical Activities then a "PENDING" status for a midshipman is "tacit" approval from the chain of command to depart on the

Movement Order.

If the Movement Order is for something other than an NAAA Varsity sport or Musical Activity then a "PENDING" status for a Midshipman is considered a "DENIAL" from the chain of command and the Midshipman is not allowed to depart on the Movement Order.
